Subject: Price Increase of the Vigil Cutters

Dear Dealers & Customers,

We succeeded in maintaining the cutter price as long as possible, but due to continuous cost increase linked to world market influenced by the Covid, we are forced to raise the cutter prices.

- 1) From 140 EUR to **155 EUR** for a single cutter.
From 280 EUR to **345 EUR** for a dual cutter.
Less dealer discount for the following cases:
 - Stock for a dealer.
 - Activation linked to a wrong use (airborne, wrong mode, hook turn, low pull, transport, ...).
- 2) Free of charge for the following cases:
 - Confirmed life save.
 - Cutter replacement linked to one of our PSB.

The new prices will take effect from first of October 2021.

Please adjust your price list accordingly.

We stay at your entire disposal.

Best regards,
Vigil Team
